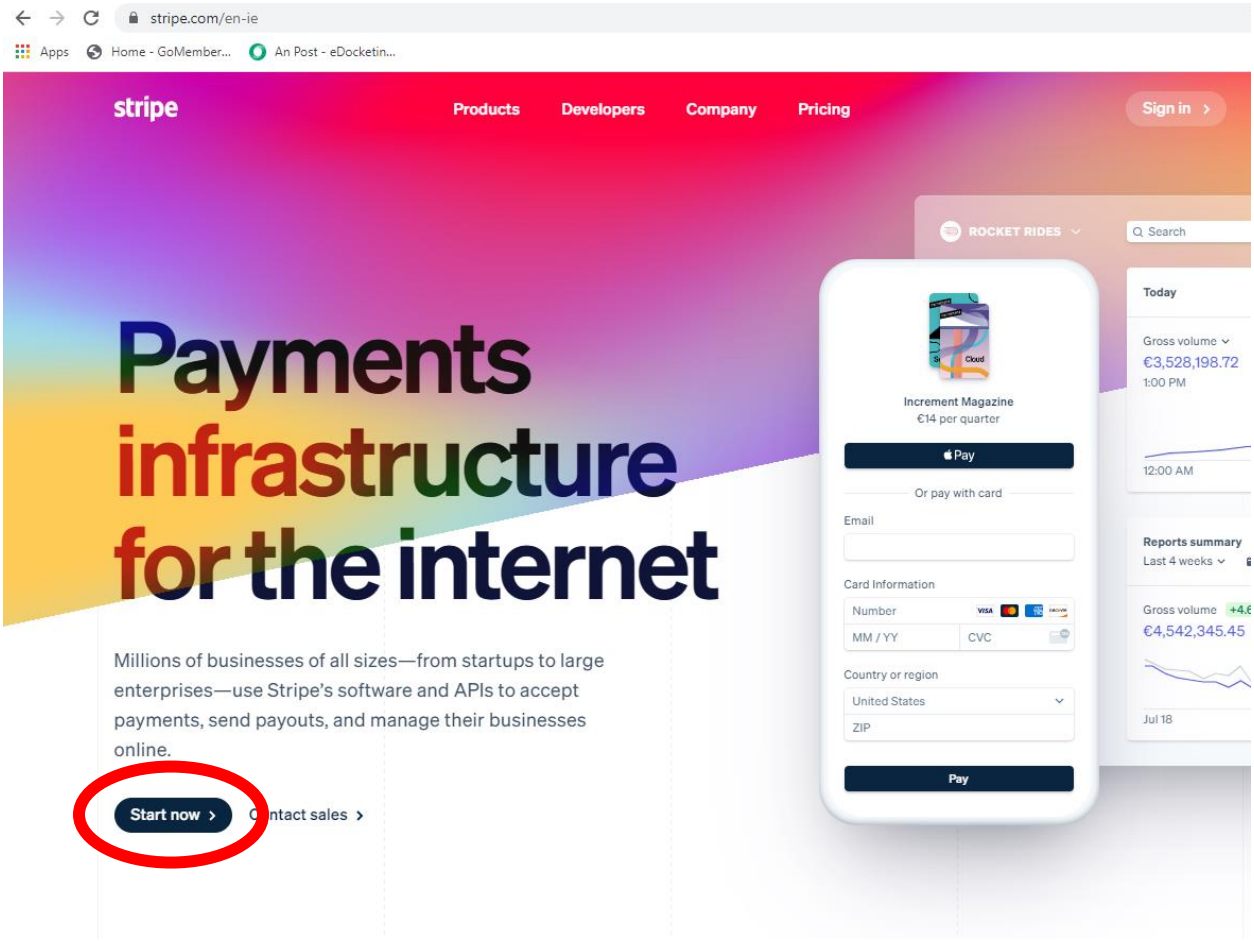
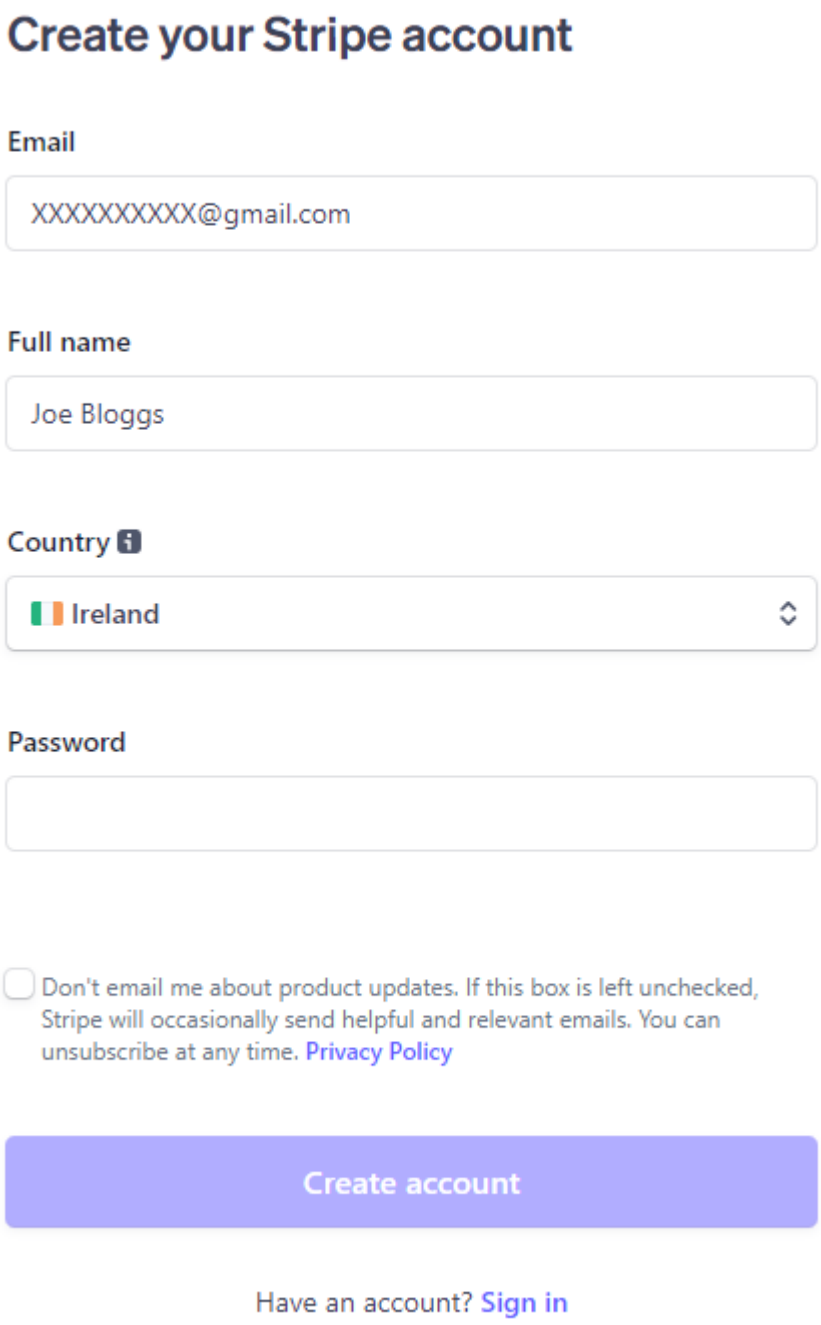
How to set up Stripe

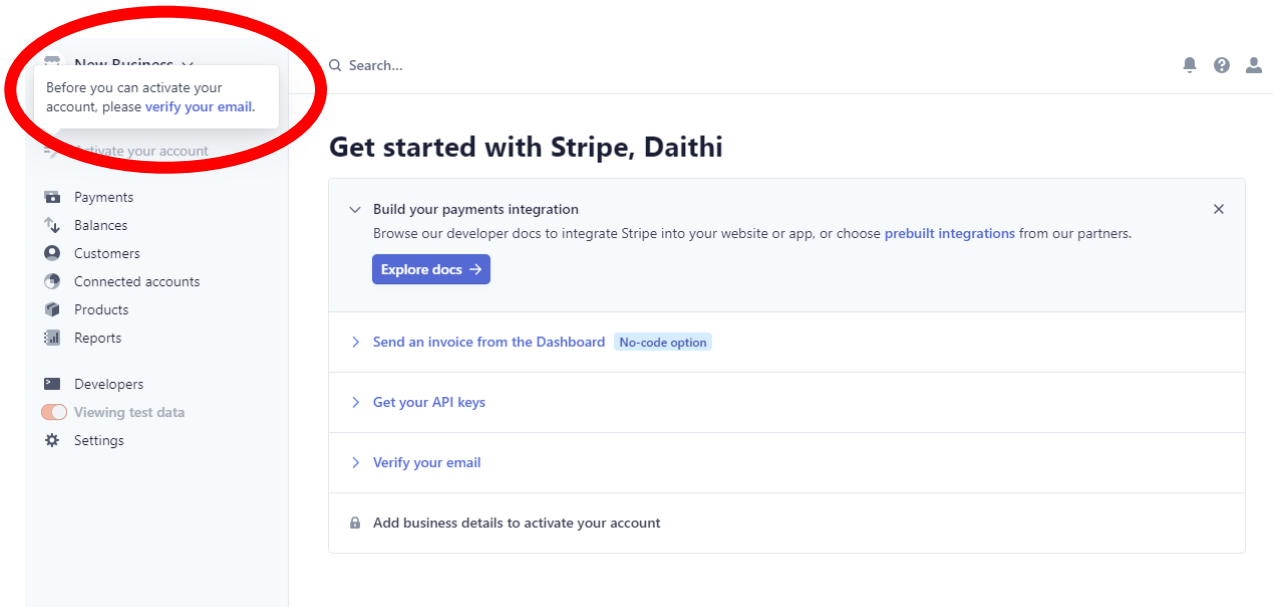
- Go to https://stripe.com/en-ie
- Click ‘Start Now’ circled below



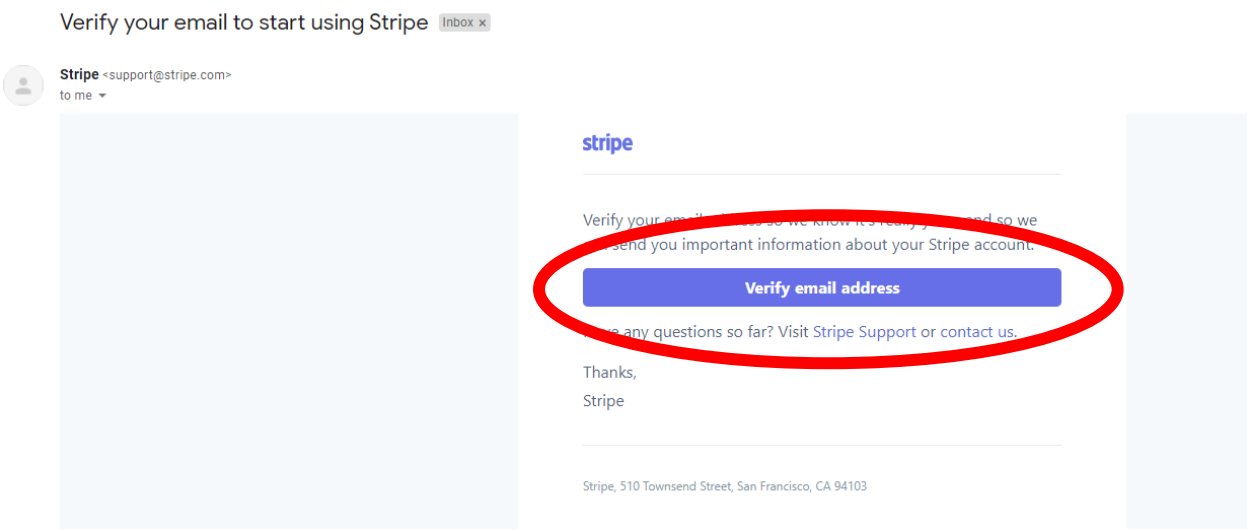
- Fill in your details and click ‘Create Account’. **NOTE - This should be a generic club email address so that it can be passed on to future club officials



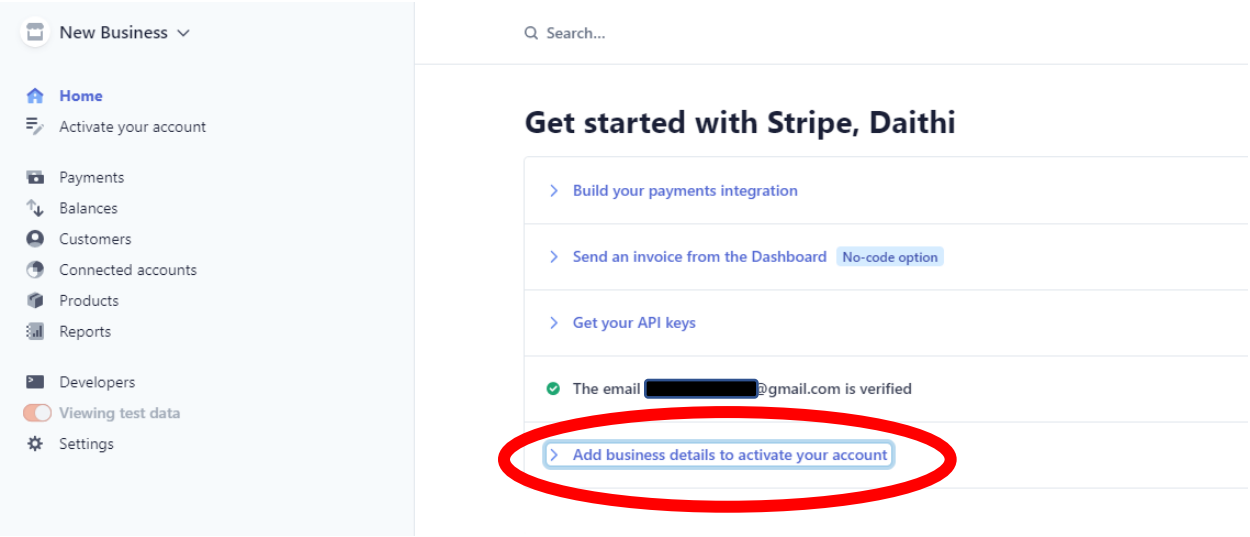
- You will be sent a verification email automatically, if you don't receive one you can request another by clicking 'verify your email' below. Check your Spam folder if you cannot see the email



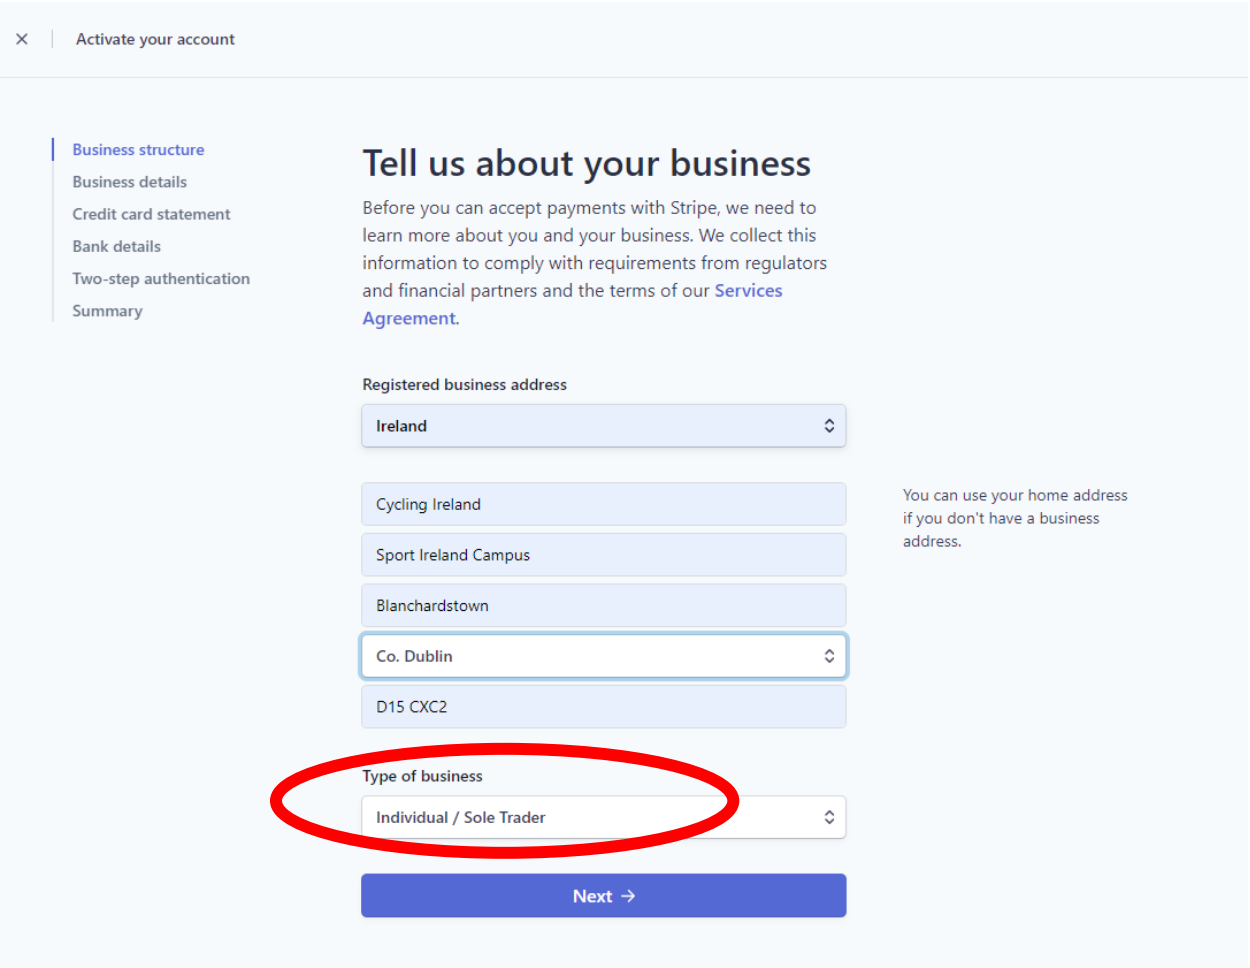
- Log into your email account and click the link in the verification email



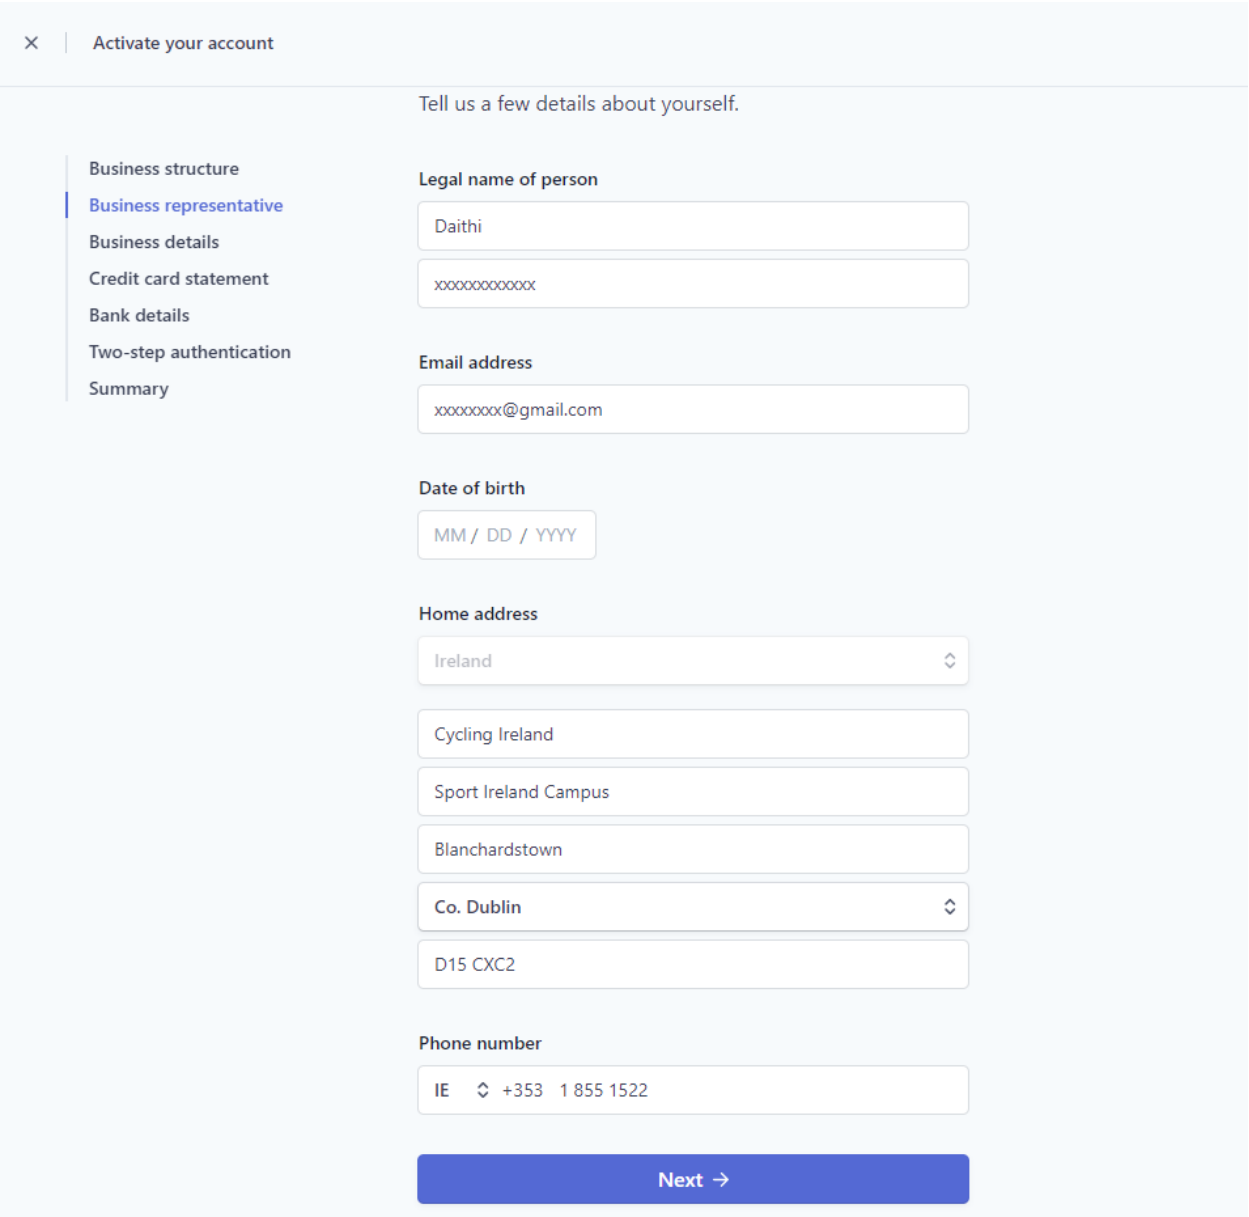
- Once the email is verified, click Add business details circled below



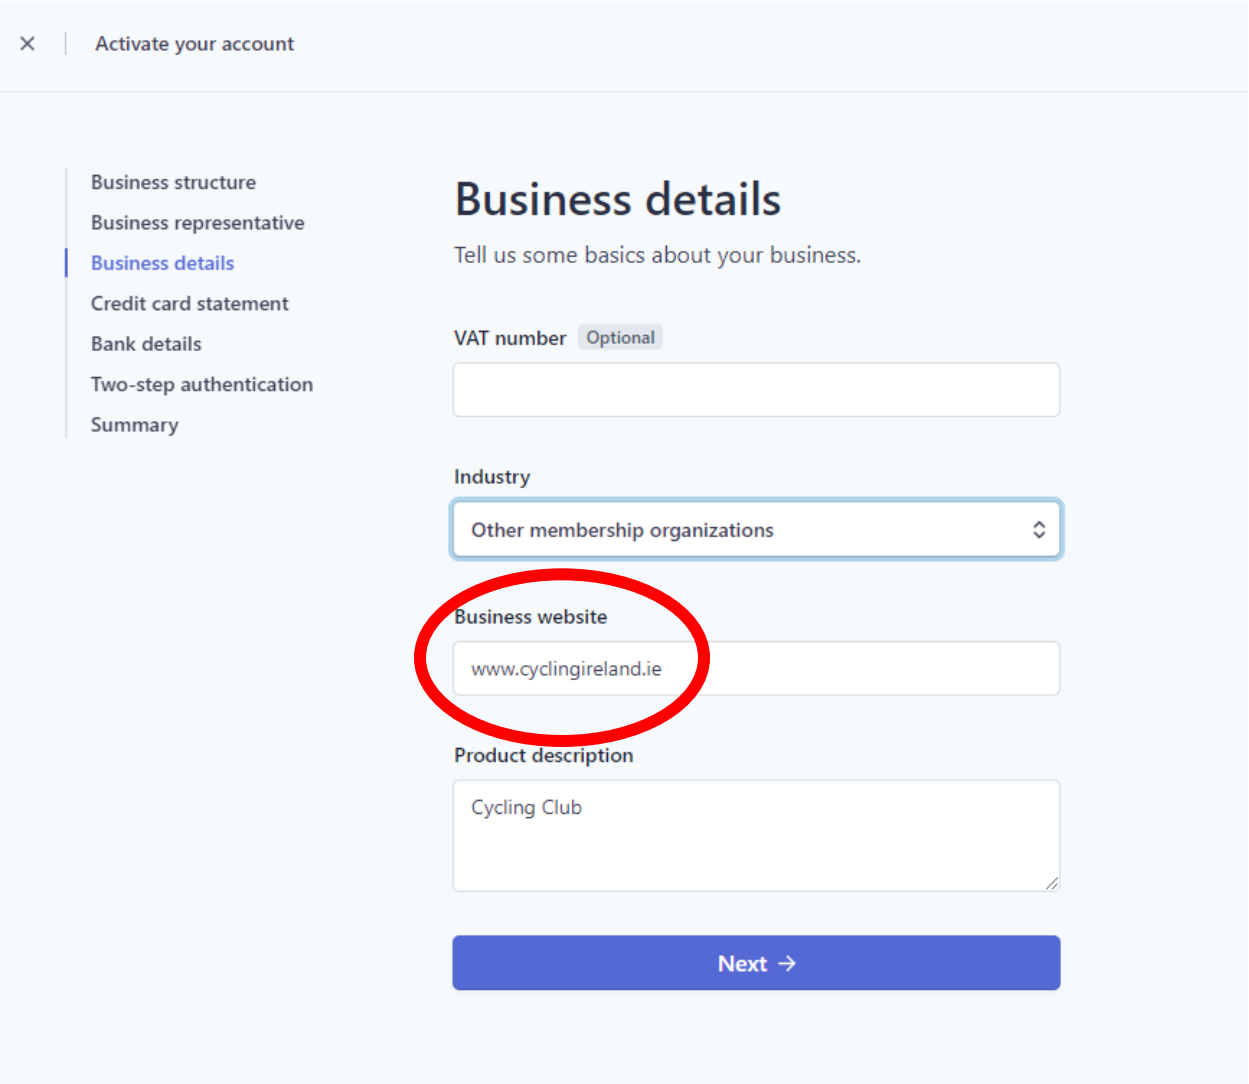
- Fill in your club address details. You can put your own address in here, it can be edited if there is a handover with club officials
- **Make sure to select 'Individual/Sole Trader' as the type of business**



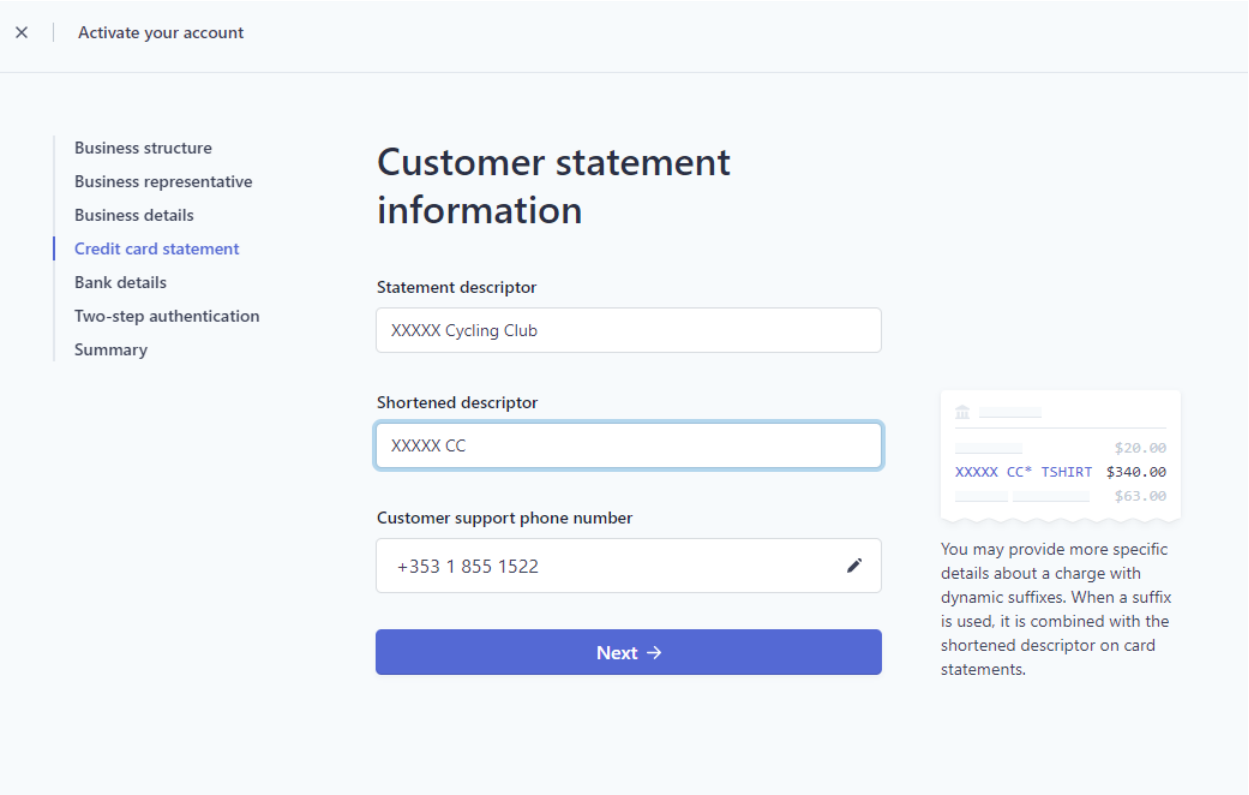
- Fill in your personal info below



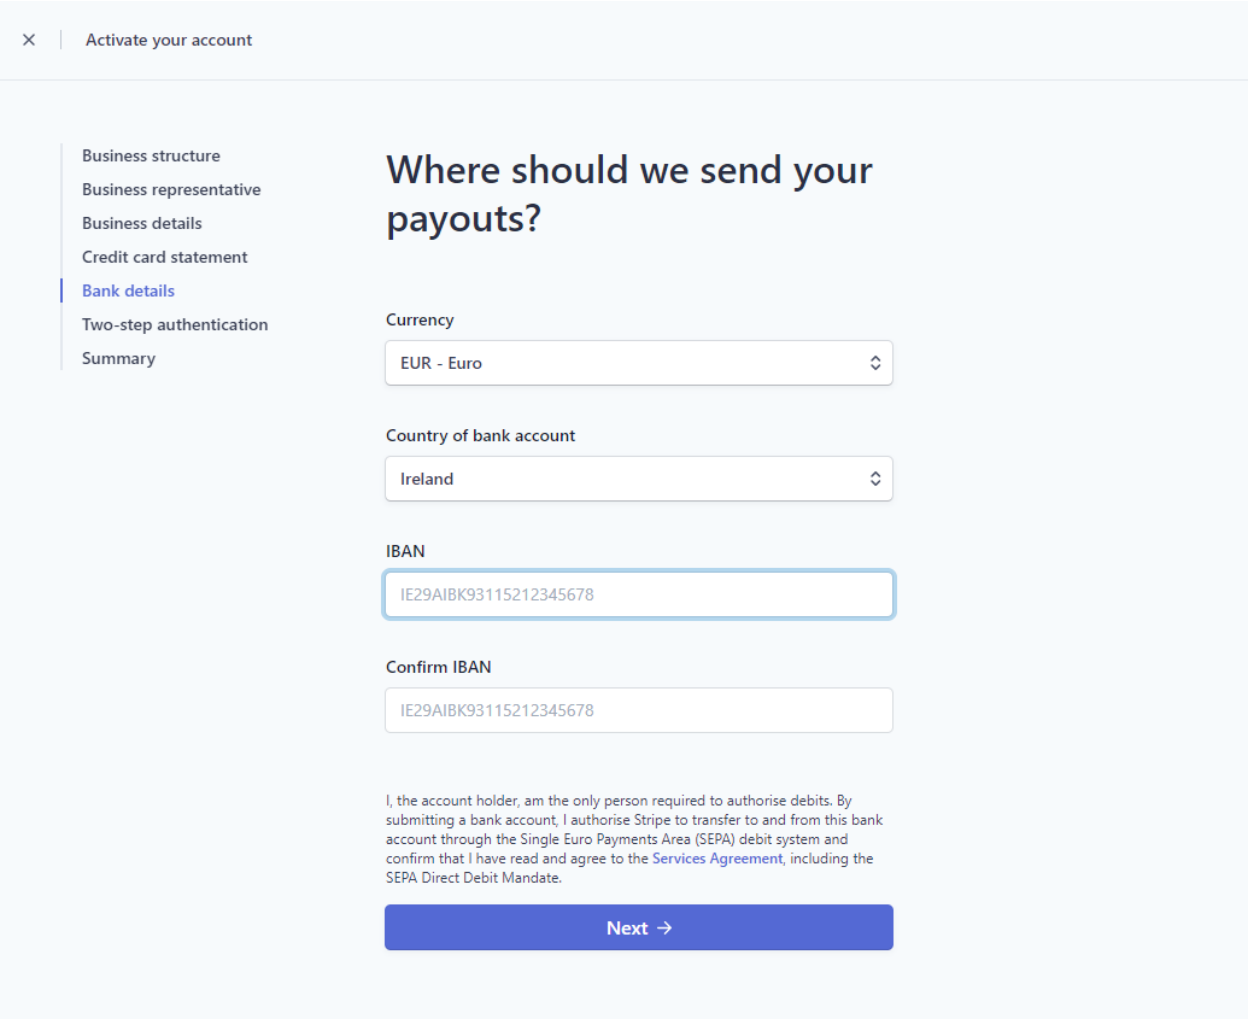
- Fill in your business info below
- Select Membership Organizations and Other membership organizations in the Industry drop-down
- In Business Website you can enter a club web address, Facebook etc. Or if you don't have one just enter www.cyclingireland.ie
- Type in Cycling Club into Product Description



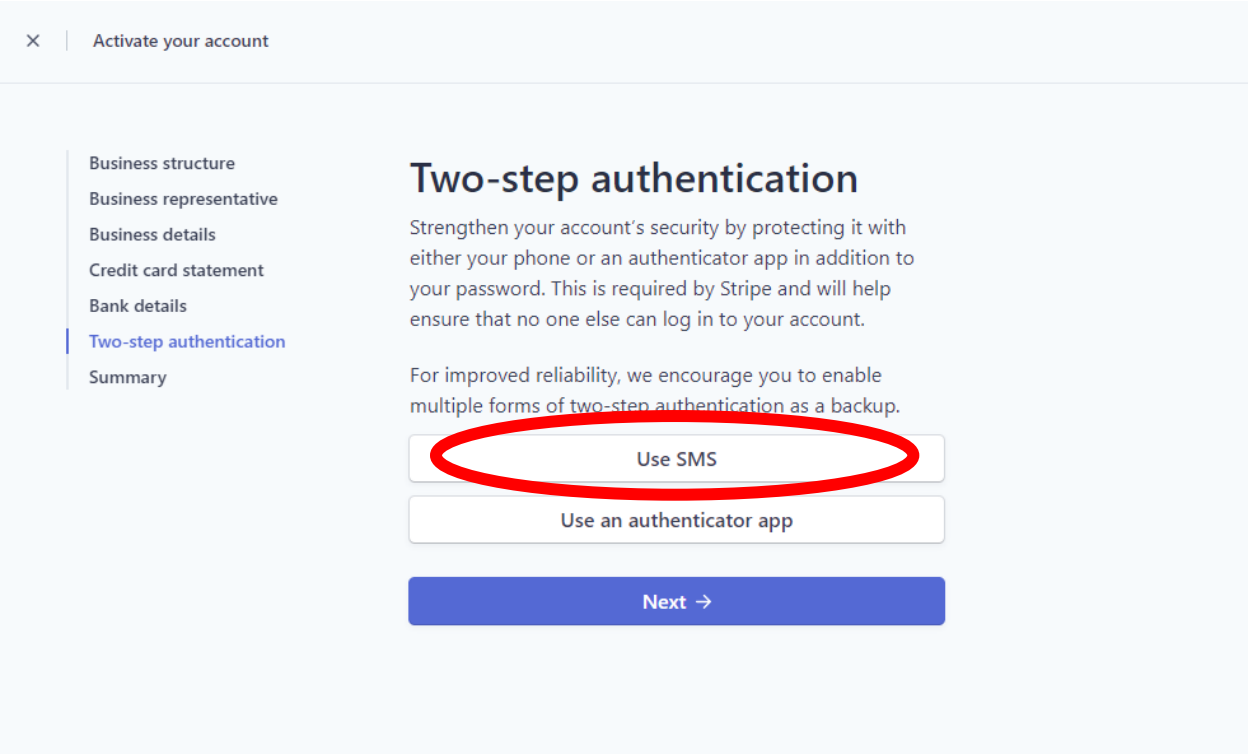
- The information below will appear on a customer statement e.g. a rider booking onto your event or a member paying club fees. Enter your club name here



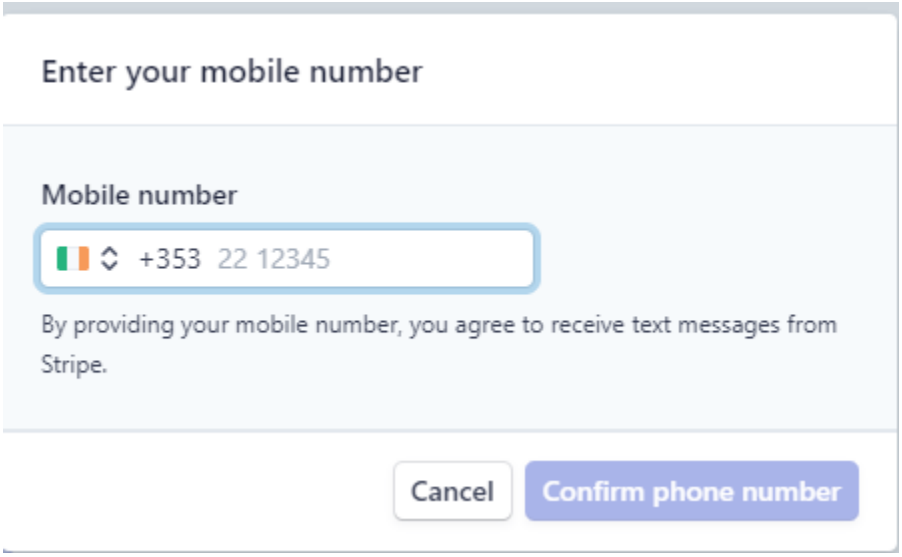
- Fill in your club bank account details (IBAN) here. It is important to have a club account so that you can hand this over to future club officials



- Once you have filled in your IBAN you will be asked to provide Two-step authentication. Use SMS text to your phone as this method



- Once you confirm your number you will be texted a 6 digit code. Enter this on the next screen **Make sure to drop the 0 from your number e.g. +353 87 1234567



- Below is a summary of your details. If you are happy click Submit down the bottom
