Eventmaster.

How to Onboard

The process to onboard your charity is very simple. Just follow the 4 steps below.

You'll need a stripe account to register.
To set up a stripe account, if you don't have an account setup already, **click here.**

1   **CLICK HERE**   To log into your stripe account
(leave this open in a separate tab).

2   **CLICK HERE**   To get started onboarding your charity with Eventmaster.

3   Fill in the required information (You will need your CHY, CRO
number and a charity logo to complete the process).

4   Connect your Stripe account to Eventmaster.

Fundraising with Eventmaster

All donations go directly
to your charities stripe
account in real-time.

There is no fee for charities
to use the platform or
receive donations.

Access real-time reporting to
keep up to date with you current
fundraisers and campaigns
