## **Appeals Procedure**

### **How to Appeal**

The Appeals Process is invoked by making a formal written appeal, either by letter or e-mail to the CEO of Cycling Ireland (ceo@cyclingireland.ie), in accordance with the dates outlined in appendix A above. The appeal shall detail where, in the opinion of the appellant, the Selection Panel have failed to adhere to the selection criteria or failed in their duties as detailed under the Grounds for Appeal. Only one appeal per rider is permitted and this must be specific in detailing where, in the opinion of the appellant, the Selection Panel failed in their responsibilities.

The full costs of convening the panel, including solicitor's and external expert's fees, must be met by the appellant if the appeal is rejected. As these costs are likely to be substantial a deposit of €250 is payable in advance of any hearing. This deposit is refundable only if the appeal is successful. Costs accrued by the appellant shall be met by the appellant.

### **Grounds for Appeal**

The grounds for appeal are limited to allegations of:

- Failure to follow due process and/or selection procedures;
- Bias / undue influence.

No appeals are allowed against the content of the published selection criteria and, therefore, against the actions of the Selection Panel provided they have followed the published selection criteria and procedures.

### **Cycling Ireland Selection Appeal Panel (CISAP)**

The CEO of Cycling Ireland will select a panel of three people to act as the Cycling Ireland Selection Appeal Panel ("CISAP"). The CISAP will include:

- A Performance Director (or equivalent role) of another Irish sport's National Governing Body;
- A senior staff member from one of the Sport Ireland, Irish Institute of Sport, Sport Northern Ireland, OFI or Sports Institute of Northern Ireland;
- An individual with proven Olympic or Paralympic cycling experience.

The CISAP will determine from its own members who will act as Chairperson, the Chairperson will have a casting vote. A quorum for the CISAP will consist of any three members.

The CEO in conjunction with one member of the CISAP will determine based on the submission details and whether it sufficiently outlines the grounds for appeal in detail, if an appeal hearing is required.

The CISAP will meet in accordance with the dates outlined in appendix A to accept or reject (based solely on the Grounds for Appeal outlined above) appeals that have been submitted.

### **Appeal Hearing (where an appeal has been accepted by the CISAP).**

There will be one appeal hearing at which all appeals will be heard. At this hearing written appeals originally submitted shall be considered with evidence, either written or verbal, taken from those persons that the CISAP Chairperson deems appropriate and necessary in order to reach a decision. The European Championships Selection Panel will be invited by the Chairperson of the CISAP to outline the grounds for selection of the named riders. The Selection Panel and any rider who may

lose a selected place as a result of the appeal decision will be invited to observe an Appeal Hearing. However, only the appellant and their representative may participate unless the CISAP Chairperson chooses to request evidence from the Selection Panel and/or the athlete who stands to lose a selected place.

Participation may be in person or by submission of a written statement at the discretion of the CISAP Chairperson and all connected parties will receive a copy of the original appeal.

Every effort will be made by the Chairperson to gather all relevant evidence within this timescale. The Chairperson has sole discretion over the witnesses to be questioned in the interests of a fair and relevant Appeal Hearing. The appellant may be accompanied by one representative only or, where the appellant cannot attend the Appeal Hearing, be represented by one person only.

The Appeal Hearing will be minuted, and an additional person may be nominated by the CISAP Chairperson as Appeal Secretary.

The decision of the CISAP following an Appeal Hearing will be communicated to the appellant verbally following the meeting and confirmed in writing to the appellant within 24 hours of the holding of the Appeal Hearing. In the event of the appeal being successful, the Selection Panel will meet in accordance with the dates outlined in appendix A to reconsider the selection based on advice from the Appeal Hearing.

The CISAP may not change the selection criteria nor does it have the power to change the selection(s), it can only refer the selection back to the Selection Panel for their reconsideration.

Any re-drafting of the Team, should such a reconvening of the selection panel take place, will be final and not subject to any further appeal.

All parties must maintain confidentiality until the ruling is issued and any attempt by either party to publicise the matter will be considered as prejudicial by the CISAP.
