4.1.2 The Federation regards discrimination, harassment or bullying, as described below, as gross misconduct. Any member of the Federation or affiliated club, who discriminates against any other person, may be liable to appropriate disciplinary action.

4.2.1 Direct Discrimination: This occurs by treating a person worse than someone else because of a protected characteristic. In the case of pregnancy and maternity this can occur if they have the protected characteristic without needing to compare treatment to someone else. Additionally, direct discrimination can occur because someone is thought to have a protected characteristic or because they associate with someone who has a protected characteristic.

4.2.2 Indirect Discrimination: This occurs by putting a rule or way of doing things that has a worse impact on someone with a protected characteristic than someone without one, when this cannot be objectively justified.

4.2.3 Discrimination Arising From Disability: This occurs by treating a person with a disability unfavourably because of something connected with their disability when this cannot be justified

4.2.4 Failing to make Reasonable Adjustment: This occurs by failing to make reasonable adjustment for a person with a disability which cannot be justified.

4.3.1 Harassment: Is unwanted conduct which has the purpose or effect of violating someone's dignity or which is hostile, degrading, humiliating or offensive to someone with a protected characteristic or in a way that is sexual in nature. Sexual harassment is deemed to be any form of unwanted verbal, non-verbal or physical conduct of a sexual nature.

4.3.2 Bullying: Bullying is one form of personal harassment. It is the misuse of power or position to persistently criticise or to humiliate and undermine an individual's confidence.
