

Leinster Commission Report

2020 Overview

2020 was the year that the national sporting bodies would expand investment and assistance to women in sport by 20% this was something that CL were happy to get involved in. At the beginning of the year Cycling Leinster was involved a women's training weekend open to all current racing women. Thankfully, this event happened before the Covid-19 restrictions were put in places and was well received. Like all sports our planned events were curtailed due to Covid-19. We were able to sponsor races in Corkagh Park for women and youth riders during the year. There were also a number of training days for the underage section involving off road disciplines. There were training days for MTB and CX which were fully booked and were very successful. Cycling Leinster will enter 2021 with a view to complete the program of events that were planned for 2020 and hopefully expand on them.

Strategic objectives for 2021

Key strategic objectives are to develop more in the areas of Women's Cycling and Youth Cycling across all disciplines. We will be looking to get more people to participate in the sport of cycling in a safe and fun way. There is also a plan to increase funding in areas of the sport that might not be as well known. Off-Road cycling is becoming more popular and Cycling Leinster see it as a way of getting young riders involved in a safe and structured manner.

Commission Members and Roles 2021

Chairman - Jimmy Stagg Ph: 086 1985583, email: jimmystagg@staggcycles.com
Secretary - Michelle Lyons, ph: 087 6670977, email: shelllawless@googlemail.com
Treasurer - Brian Hayden, ph: 086 1706756, email: brian@bodyhealth.ie

A few of our rep positions are due up this year so we are unable to confirm if the same people will take up the role for 2021.
