

**Introduction:**

- In mid 2020, a working group of the CI Board and staff met on a number of occasions with the aim of proposing a revised membership fee structure for the CI Board to present at the 2020 AGM. The group reviewed feedback from the membership throughout the year, and from the Voice of the Membership survey conducted in July 2020. The following sets out the proposed 2021 fees and levies for the consideration of the voting membership.
- It should be noted the fees/levies structure is being proposed in one resolution, and as the proposed Standing Orders for the 2020 AGM do not allow for amendments to be proposed during the meeting, the resolution will be only accepted or defeated.
- The schedule of 2020 Fees & Levies is presented at Appendix One for comparative purposes.
