

## Noel Mulroy

My name is Noel Mulroy, I am a volunteer, event organiser/helper, support car driver the same as most of you. I have been a Cycling Ireland board member for the past two years. I have given a lot of my time to this role. My responsibilities on the board is youth development and Connacht provincial rep. Two years ago, when I stood before you at the 2018 AGM I said I would like to see a youth development program where youth cyclists would get the opportunity to try out all disciplines of the sport. There are three important words "Recruitment, Development, Retention" we now have a new interim Cycling Ireland Youth Commission in place with a rep from each of the disciplines of the sport with a vast amount of development experience. This will greatly improve the opportunities to youth cyclists as they will now get to try out mtb, BMX, track, road and more importantly develop their skills on the bike. I believe the new youth commission will play a most vital part in the new Cycling Ireland strategic pathway document. I think it's very important that all four of the provinces are represented at board level, as the only Connacht board member, this is also another reason I why I'm seeking re-election to the board of Cycling Ireland. I'm asking you for your vote at the Cycling Ireland AGM this year. Thanks for your time.
