Benefits of Collecting Club Memberships through the Cycling Ireland Platform

Over 400 **Cycling Ireland** clubs are already enjoying the multiple benefits of collecting Club memberships through the Cycling Ireland platform. With all your members details already in the Cycling Ireland database, taking the next step and allowing your members to sign up and renew their memberships with you through the platform is a quick and easy process.

Streamlined process for members to join your club

Members can pay their CI Federation fees and club membership fees all in one log in and transaction.

Quick & Easy Renewal Process

Send renewal invites automatically from the platform that allow members to pay renewal fees online at any time.

Automatic Entry for Sport

Club memberships collected through the AI platform are automatically sent to the Entry for Sport system.

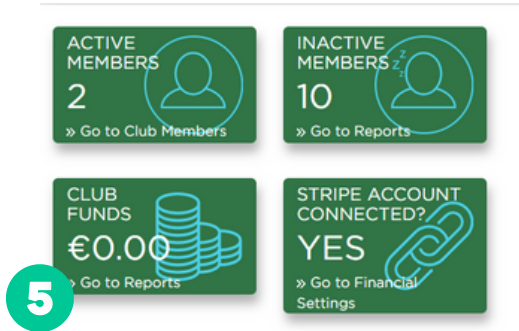

Automatic Removal of One Day License Fee when entering events

When entering CI permitted events, your club members status will automatically be verified.

Benefits of Collecting Club Memberships through the Cycling Ireland Platform

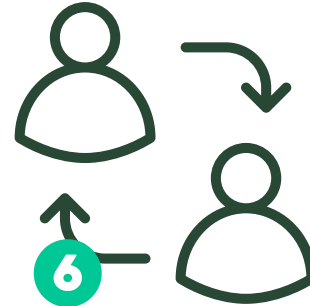

Reduced Administration & Live Reporting

With everything in one place, club officials can easily track and manage the club and memberships in one platform.

Create Custom Group Discounts

Easily group club products to automatically create discounts for those registering multiple members.

Easily Manage Club Transfers

With all your club members information already within the platform, you can easily send out email notifications directly from the system.

Receive income in real-time with low platform fees

All membership fees go directly to your Stripe account in real-time. The 5.5% fee (plus bank charges) for transactions can be passed on to the memberships.

Simply add a Stripe account and Club Products to get started.
